A big field of two-year-olds started in the opening event. The talent were all at sea as to the probable winner, and no decided favorite was posted on the board. Our Pet, Rama and Oporto were the best backed of the lot.

Rama and Hartford had the race between them. They kept company to the jast few jumps, where Rama frew out and won by a neck. Half Mine, a 20 to 1 chance, was third.

Madstone was a warm favorite in the second race, and, as he met a very poor lot, had no difficulty in winning.

Sims waited with the old horse until the stretch was reached, and then cut loose. Sam Bryant, who was at 15 to 1 in the betting, got away badly. He went through his field on the far turn, however, and finished a good second. Treasure was third.

A great was his side in an instant.

A great deal of good money was purned up on that very bad horse, confederate. This was the second time he has been plunged on.

Sirocco, the favorite in the third event, won all the way. He was never headed, Galloping King was an easy second. Curacoa, who was a heavily backed second choice, did not seem able to extend himself and was a poor third.

There will be seven races at this track to-morrow. The second part of the Woodlawn Vasse Handicap will be the feature of the day.

PRICE ONE CENT.

FROM THE GOVERNOR,

A Proclamation Calling for Pure Election.

Peace Officers and District-Attorneys Must Do Their Duty.

Any Failure in This Respect to Be a Cause for Removal.

(By Associated Press.)

ALBANY, Nov. 6 .- Gov. Flower today issued the following proclamation: STATE OF NEW YORK, EXECU-TIVE CHAMBER, ALBANY, Nov. 6., 1893.—It is essential to our liberties and to the fair name of our State that the expression of popular judgment at the polls shall be absolutely untrammelled and honest. Recent enactments by the Legislature have established almost every possible safeguard around the sanctity of the ballot. It but remains for every citizen to obey these laws and for every election and peace officer to see that they are enforced.

More important to our State than the success of any party is that this success should be the free and uncorrupted decision of legally qualified voters.

I therefore call upon the people of this State to see that the election to-morrow,

Nov. 7, shall be an honest one. I call also upon all election officers, all District-Attorneys, all sheriffs and all peace officers to see that the laws are rigidly obeyed, to the end that good oredr may prevail at the poils and the right of honest franchise be sacredly guarded; and I give warning that all failures on the part of such public officers to discharge their full duty in the complete enforcement of the laws shall considered sufficient cause for their

removal. Done at the Capitol, in the city of Albany, this sixth day of November, in the year of our Lord, 1893. ROSWELL P. FLOWER.
